The Route & Navigation

Acorns, Signs and Marshals!

The route starts by running along Marine Parade towards the Ness Hotel, here you will turn left onto climb up the coast path, you follow the Coast Path signs , our event signs and marshals to Maidencombe, where you will find the Aid Station just beyond the car park, this is your turn around point, now follow the SWCP back to the finish.

Sometimes there are two arrows underneath the acorn pointing in two different directions, always follow the arrow directly beneath the Acorn as that is the South West Coast Path.

GPX FILE A GPX file is available, please email brian@windingpaths.uk for the GPX, but don't leave it until the last minute, as we will be out on the route on the days leading up to the event.

Route Terrain & Etiquette

The route is trail, expect for a couple of tiny tarmac sections.

There will be runners in both directions on a small section, please take care.

In the wooded areas on the coast path take care as there can be tree roots and rocks underfoot, so please take care. Some of the steps are uneven and have lips, so watch your feet on them.

Please look out for your fellow runners on the event, if someone falls please take time to check they are ok and back on their feet and let a marshal or Race HQ know of any issues.

Please no littering on the event, we are lucky to be able to run around this gorgeous area and any littering would compromise future events in this area, littering will lead to disqualification.

Please also be aware of other path users that are using the paths and trails.

Headphones - Headphones are NOT allowed at the event due to our insurance. **However Bone conduction head phones are allowed but you must keep the volume low enough to hear marshals, other users and traffic.**

Weather – Being the UK it could be any weather, so be prepared, if it is wet or forecast wet or cold then consider carrying a showerproof jacket.

CUPLESS EVENT – Remember all Winding Paths events are cupless, you will need to bring your own filled bottle/s or hydration pack, which you can refill at the Aid Station.

Aid Station

If you are using the aid station, you must have your own cup or bottle, you can fill your cup or bottle using the water containers, there will be some snacks at the end of the aid station, , there will be squash and coke at the aid stations, if you want this please ask the volunteers. Some of the snacks available will be Haribo packets, raisins, skittles, crisps, flapjack etc.

Aid Station location (approx. distance)

Maidencombe Car Park **Mile 3.5**

First Aid - We have a professional Medical Team from Peninsula Medical in attendance at the event, please ask them for any assistance required. They will be based at Race HQ and at points along the route, if anyone needs medical assistance and cannot make their way to a marshal then phone the Race HQ or the medical team, numbers in the KIT section above., the number will be sent in an email before event day. If the medical emergency is life threatening then call 999 first.

Retiring

If you need to retire from the event, please let a marshal know or phone Race HQ to let them know, we keep track of the number of runners out on the route and if we aren't informed of a retirement then we could be out searching for them needlessly. There are sweepers on the event.

Finish Line

When you cross the finish line **with your race number clearly visible on your front**, you will receive a medal. There will be a table with water available close by (cup needed) and the First Aid tent will also be here. There is a small amount of space on the grass to sit if required by HQ, but overlooking the finish there is a larger sloped stretch of grass to sit on and enjoy the view, which is where spectators/family can wait for you. **Do not sit on the balcony of the Ness Hotel unless you are ordering food.**

Ness Hotel

The Ness Hotel are very kindly letting us use the area of grass for the event finish, with its view over the River Teign and Teignmouth Beach, they will be open and selling food and drink, so why not take advantage and start refuelling.

Finish Line Toilets

Please do not use the Ness Hotel toilets unless you are ordering food or drink from them, there are toilets located a short walk along the path above the Ness Hotel, near the entrance to Shaldon Zoo and the car park, please use those toilets.

Photos

We have a photographer on the route and photos will be uploaded to Facebook and be free to tag, download and share for personal use after the event.

Other

If there are any questions after reading all the above email me brian@windingpaths.uk but please be aware that in the week before the event I will be extremely busy and out most of the days, so any emails will take longer to reply to and any sent from 5pm on Friday evening will not be answered until after the event. If you cannot make the event, then you do **not** need to email to tell me, as we track the runners present by the race numbers that are picked up.

I look forward to seeing you on the day

Best Wishes

Brian
